

Certificate of Registration

Health Data Hosting Provision - Requirements and Controls - HDS:2024

This is to certify that:

GROUPE D-LAKE
Les Papeteries, 3 Esplanade Augustin
Annecy
74960
France

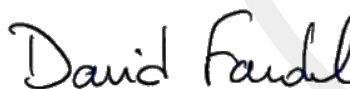

Holds Certificate No:

HDS 792366

and operates an Information Security Management System for Health Information Hosting provision which complies to the requirements of the HDS Certification Standard - Requirements and Controls - rev.2 of April 2024 for the following scope:

1. Provision or maintenance in operational condition of premises enabling the physical infrastructure of the health information system to be hosted, 2. Provision or maintenance in operational condition of the physical infrastructure of the health information system in accordance with the applicability declaration "SoA v2 Statement of applicability". 3. Provision or maintenance in operational condition of the software platform (operating system, middleware, database) of the health information system, 4. Provision or maintenance in operational condition of the virtual infrastructure of the health information system. 5. outsourcing of the operation of the health information system 6. Outsourced backup of health data. The organization is certified according to ISO 27001:2022. This HDS Certificate is valid subject to a valid ISO 27001 certification for the same scope.

For and on behalf of BSI:

David Fardel, Country Manager, EMEA Assurance
